

2020 DESIGN ★ A ★ SOCK CONTEST

What does UNITY mean to you?

Design, sketch, or illustrate what unity looks like to you, and we could bring it to life on a real sock!

For over a decade we've hosted our annual contest, but this year we want to inspire visions of unity. More than ever, we believe it's important to come together, connect with each other, and share ways to promote community among all humans. There are so many different ways we can emphasize our similarities while also celebrating our uniqueness.

Share your vision and you could win up to **\$2000** for your design! Visit contest.sockittome.com for full details & enter.
